PRESS BOX

Due to lack of space, accommodations in the press box will be furnished only to representatives of Pittsburgh papers, and from metropolitan papers filing for Sunday editions, press services, Pittsburgh radio and TV sports commentators, and scouts from schools playing either Pitt or its opponent. Requests should be made in advance, indicating whether or not Western Union services will be needed during or after the game. Those coming to the press box, to avoid climbing hills, should have cabs take them to Gate #23. This is located behind Pennsylvania Hall of the School of Medicine.

PRESS COMPLIMENTARIES

The University extends the privileges of press complimentary tickets to all daily publications in the area. These will be limited to two to each paper. Applications must be received by the Monday preceding the game and the seats will be located in the best available section at the time. A check or money order made out to the University of Pittsburgh for \$1.00 per ticket must accompany all requests.

It will be possible to purchase additional seats adjoining press complimentaries by enclosing a check or money order made out to the University of Pittsburgh, and note it on your request. The prices of these tickets are \$5.00 for Navy and Notre Dame, \$4.00 for Baylor, USC, Penn State and West Virginia.

PHOTOGRAPHER'S PASSES

Sideline passes for photographers will be issued only to Pittsburgh papers and news services, and to the daily papers normally covering the opposing team. Others will be issued to the student publications of the two schools, but they will be limited by the number issued to those in the first mentioned category.

Photographers may work in front of the bench when the occasion demands, if they keep low, but

cutline writers must stay behind the line and obey instructions of the officer detailed to the area, who will lift the credentials of any breaking this rule.

Space in the photographers stand is reserved for newspapers in the same manner as field passes, and also for newsreel and game movie cameramen. This space must be requested in advance to insure adequate space.

Field photographers should enter Gate #3. Photographers covering from the stand should use Gate #9.

THE UNIVERSITY OF PITTSBURGH

The University of Pittsburgh had its beginning in a three-room log house in what is now downtown Pittsburgh two years before the Constitution of the United States was adopted. At the time of its founding it was known as Pittsburgh Academy.

The University is the oldest chartered North American institution of higher learning west of the Allegheny Mountains and north of the Ohio River.

In February of 1819 a second charter was issued, this time under the name of the Western University of Pennsylvania. By this charter the institution was given power to grant baccalaureate degrees. In 1908, with permission of the courts, the name of the school was changed to the University of Pittsburgh.

A legislative act in 1865 made the Allegheny Observatory a part of the University, and there Samuel P. Langley, distinguished for solar research and for early experiments in the science of aeronautics, James E. Keeler, discoverer of the moons of Saturn, and other prominent astrophysicists and astronomers have conducted research. The contributions of Langley, Keeler and others have made the Allegheny Observatory known all over the world.

Since 1892 several schools have been added to the older College and Engineering School, granting undergraduate and graduate degrees. In 1892 the School of Medicine was established; in 1895, the School of Law and School of Mines; in 1896, the Schools of Dentistry and Pharmacy; in 1910, the School of Economics, since 1923 known as the School of Business Administration; also in 1910, the School of Education; in 1912, the Graduate School; in 1907, the Summer Session and Evening School; in 1913, the Extension Division and Mellon Institute for research; in 1922, the School of Retailing and the Bureau of Retail Research; in 1926, the University Medical Center; in 1931, the Bureau of Business Research; also in 1931, Falk Elementary School, a progressive school for elementary educa-

tion; in 1938, the School of Social Sciences; in 1939, the School of Nursing; in 1944, Research in the Natural Sciences; and in 1948, the Graduate School of Public Health.

Construction on the world-famous Cathedral of Learning was begun in 1926. Architecturally the Cathedral is a modern adaptation of the Gothic tower. It contains nearly 100 classrooms and nearly 100 faculty and administrative offices, and more than 100 laboratories which are teaching and research units. It stands 42 stories and 535 feet high.

A feature of the Cathedral is its Nationality Rooms, planned and financed by the various major nationality groups which settled around the junction of the Monongahela, Allegheny and Ohio Rivers and built the mighty industrial city of Pittsburgh. Nationalities represented in the Cathedral are Swedish, Scottish, German, Russian, Chinese, Czechoslovakian, French, Roumanian, Hungarian, Italian, Lithuanian, Norwegian, Polish, Greek, Syria-Lebanon, Yugoslavian, Irish and English.

Construction of the Cathedral was begun under Chancellor John Gabbert Bowman, who held office from 1921 to 1945. Some of the groundwork which made possible the Cathedral and other advances during the Bowman administration must be attributed to his forward-looking predecessor, Dr. Samuel B. McCormick, who served as chancellor from 1904 to 1921.

Great strides were made during the administration of Chancellor Bowman, and spectacular progress under R. H. Fitzgerald who became Chancellor in 1945.

Upon the retirement of Dr. Fitzgerald in 1955, Dr. Edward H. Litchfield, Dean of the Graduate School of Business and Public Administration at Cornell University, was named to succeed him. The University has now embarked on a new development program to cost over \$100,000,000 during the next 10 years.

The modern University of Pittsburgh Memorial Field House, built at a cost of \$1,300,000, was dedicated in 1951.

In 1953, the Medical Center Nurses' Residence was completed at a cost to the University of \$4,500,000.

Recently completed is an engineering building (\$1,500,000); George Hubbard Clapp Hall for science research and teaching (\$2,500,000); a building to house the Schools of the Health Profession (\$15,000,000); the Graduate School of Public Health, costing \$5,000,000, will be completed this year.

The great progress made toward the establishment of the great Medical Center at the University has been highlighted by the development by Dr. Jonas Salk of the Pitt Medical School of the vaccine that is expected to eliminate polio.

In addition the University has acquired the Schenley Park Hotel and Apartments which has been developed into a comprehensive student living and activities center.

Other new buildings which should be completed in the near future are the Library (\$10,000,000), the Natural Science Building (\$2,400,000), a new dormitory (\$13,500,000) and a pool (\$1,600,000) which should be the best in the country.

PREVIEW

Pitt lost fourteen lettermen from last year's team including two first-team ends, two regular tackles, a starting fullback, and two quarterbacks who both saw action as members of the first unit. The Panthers ended the 1960 campaign with a 4-3-3 record and although seventeen monogram winners are returning, the Blue and Gold will be fortunate to break even with a schedule, which as usual, is one of the toughest in the country.

Coach John Michelosen's biggest problems will be finding replacements at the tackles, developing reserve ends, a good middle linebacker, and a good fullback. Michelosen also must find reliable second-team tackles and ends.

In the line, Michelosen will have to replace ends Mike Ditka, a unanimous All-American and team captain, and Ron Delfine, tackles Dick Mills and Bob Budavich, and guard Paul Hodge, an excellent middle linebacker. Ditka was the big reason the Pitt defense yielded just 77 points last year in ten games. He also was an excellent pass receiver, grabbing 45 passes for 730 yards and seven touchdowns during his varsity career. Delfine was the unsung hero of last year's team. A steady performer, Delfine happened to be playing on the same team which had one of the best football players in the country on it. Mills was a solid tackle who played outstanding ball against Syracuse. Budavich showed steady improvement and still had one year of eligibility remaining before he was forced to withdraw from school. Hodge was a good linebacker and was one of the pleasant surprises of the year.

The biggest loss in the backfield was fullback Jim Cunningham, third-leading rusher, an outstanding blocker, and a good corner linebacker. Quarterbacks Ed Sharockman and Dave Kraus both had one year of eligibility remaining. Kraus decided to go to medical school and Sharockman withdrew from school. Chuck Reinhold, second-string left halfback, was a dependable reserve and scored the winning touchdown against Notre Dame.

Other losses include Ed Fornadel, a reserve tackle, fullback Mike Frasca, a third stringer, substitute end David Walker, reserve center Dick Matyus and reserve guard Dennis Dvorchak.

The Panthers will employ the same offense as they have the last two years although Michelosen might stress passing a little more. Pitt uses the "Wing-T" with an open end. Michelosen started to use this offense in 1958, his fourth year as head coach at his alma mater.

Michelosen's overall record in six seasons is 33-24-5 and nine of these defeats were to teams which finished in the Top Ten. Two of these nine losses were to teams which were rated number one in the country by the Football Writers of America and two other ones were in bowl games.

On the bright side of the ledger, Pitt should be strong at the guards. This position will have depth and experience with five lettermen returning. There also will be a promising bunch of sophomores who as freshmen finished with a 5-0 record.

At the end of spring practice, the first backfield had Jim Traficant at quarterback, Bob Clemens at left halfback, Fred Cox at right halfback and Lou Slaby at fullback.

Cox was the leading ground gainer in 1959 (392 yards) and was second last year (333 yards). Clemens led all rushers in 1960 with 349 yards. Cox was the leading scorer last year with 42 points and also caught 11 passes for 177 yards and one touchdown. If Clemens can regain his 1959 form, this could be a tremendous help. Last year, the hard-running halfback was a little overweight and this slowed him down a step. Slaby showed tremendous improvement in spring practice. Always a strong defensive player and a good blocker, Slaby is beginning to show improvement in his running. A powerful runner, he is beginning to start faster and this could make a big difference.

Traficant was hampered by an injury during the latter part of last fall. An excellent passer, Traficant completed 29 of 57 passes for 407 yards and four touchdowns. He also tallied the only touchdown in the Syracuse game. Another quarterback

who will be seeing his share of action is sophomore Paul Martha, a versatile performer and one of the standouts on last year's unbeaten frosh team. In the spring game, Martha was the outstanding performer on the field as he did everything any coach would ask of a player.

Other top quarterback candidates are Sam Colella, a transfer from Syracuse, and Phil Pulsinelli, and Glenn Lehner, both sophomores.

Bob Roeder, a shifty runner and a star in the spring game, Ed Clark, who played both quarterback and left half last year, John Gregg and Pete Billey, two speedy sophs, and Marvin Lippincott, are all left halfbacks who could see action in 1961. Another candidate is Dennis Chillinsky, a converted quarterback.

Right halfbacks to watch are John Yaccino, a two-year letterman who missed most of spring practice, Ray Conway, and John Ozimek, both sophs, and Ed Ferdinand, a junior.

Richard (Rick) Leeson, an outstanding prospect, John Telesky, another highly-touted sophomore, and John Chisdak, a halfback last year, help to make the fullback position one of the strongest on the team.

Heywood Haser and Steve Jastrzembski give Michelosen two capable ends but after these two, problems arise. John Kuprok, a star of the spring game, could be a tremendous help if he has a good year. The other top ends are sophomores, Joe Kuzneski, who could be one of the sleepers for 1961, and Eugene Sobolewski, a strong defensive wingman. John Jenkins, Al Grigaliunas and Ronald Dodson are three more newcomers who could see action.

Gary Kaltenbach, one of the better tackles in the East, and Bob Guzik, a two-year letterman, will start the season on the first team. Ernest Borghetti and Bob Ostrosky are two sophomores with promising futures. Ed Adamchik, Jeff Ware, and John Price, all sophs, have the potential to develop in 1961.

Larry Vignali, Regis Coustillac, both two year letter winners, and monogram winners Tom Brown, Ralph Conrad and John Draksler, all juniors, form one of the best guard corps in the East. Vignali and Coustillac were hampered by injuries last year but seem to be ready for the coming campaign. Brown, a converted end, came along fast at the end of the 1960 season. Ray Popp is a topflight sophomore and should see his share of action on defense as a middle linebacker.

Andy Kuzneski, who led the team in playing time in 1960, is the number one center. John Holzbach, a junior and letter winner, improved tremendously in spring practice. The top soph prospects are Charles Ahlborn and Paul Cercel.

Pitt's kicking game should be strong with Cox doing most of the punting. He also is a good field goal kicker, booting three last year.

The passing attack must improve and if it doesn't, the Panthers are in serious trouble. The running attack, although the great breakaway back is lacking, is more than adequate. Clemens definitely should have a better year than last. There should be more speed than in 1960.

The biggest problem is lack of depth. Although the defense won't be as strong as in 1960, the offense should be improved. The first three games of the season, Miami of Florida, Baylor and Washington, will give a good line on what to expect from Pitt in 1961.

On the affirmative side, Michelosen will have a group of talented sophomores who will make the veterans hustle. The passing should be better and the guards will be stronger than last year.

But that schedule, Miami of Florida, Baylor, Washington, West Virginia, UCLA, Navy, Syracuse, Notre Dame, USC and Penn State would make any coach complain.

The Blue and Gold will, as always, be a well-conditioned, hard-hitting team, both on offense and defense. Nevertheless, there are just too many question marks and if Pitt happens to win more than five games, Michelosen has done a remarkable job.

Future games are scheduled for the next few years with Syracuse visiting Pittsburgh in 1962.

Although the Orange lost two games (7-2) in 1960 after finishing the 1959 campaign with a perfect record, Syracuse still had one of the best teams in the country. Besides Pitt, Army was the only team to defeat Syracuse, 9-6. Syracuse edged Kansas, 14-7, which won the Big Eight title before it had to forfeit it. The Orange closed its season with impressive wins over Colgate and Miami of Florida.

Coach Ben Schwartzwalder has 19 lettermen returning including halfback Ernie Davis, a true All-American and third-leading ground gainer in the country last year, tackle John Brown, guard Dave Meggyesy, quarterback Dave Sarette and halfback Pete Brokaw. ATHLETIC DIRECTOR FRANK CARVER

Frank Carver, 52, was named Athletic Director of the University of Pittsburgh on December 1, 1959.

The Beaver resident began his association with the University when he enrolled as a freshman in 1927. He was graduated in 1931, after having worked his last two undergraduate years in the position of student assistant in the sports publicity office.

He began as full-time sports publicity director in 1931, and devoted part of his time during the 1930's to work in the University News Service.

In December of 1941, a few days before Pearl Harbor, Carver took over as head of the physical education and the intramural program at the University, and later doubled as an instructor in physical education.

Early in 1943, when the Air Force began to send air cadets to Pitt, Carver was placed in charge of their physical education training program. That same year Carver himself entered the service as a member of the Air Transport Command.

After being discharged from the service at the end of 1945, he returned to the athletic department and also served in the office of the dean of men.

When Athletic Director James Hagan left the University in June of 1948, Carver was appointed acting director of athletics and served in that position until Captain Tom Hamilton arrived in February of 1949.

Carver was appointed graduate manager of athletics in 1949.

When Hamilton resigned in the summer of 1959, Carver again was appointed acting athletic director. Although he never wanted the job, it finally caught up with him a few months later.

HEAD COACH

JOHN P. MICHELOSEN

John Michelosen, 45, who took over the head job at Pitt after the 1954 season, came to Pitt from Ambridge High School, where he played under Moe Rubenstein, in 1934.

He moved into the varsity quarterback position in 1935 as a sophomore and retained his job for three years, operating as the blocking back and field general on offense and as a linebacker on defense.

He captained the 1937 team, and in his three years on the varsity the Panthers lost only two games, were in four scoreless ties, and defeated Washington, 21-0, in the Rose Bowl on January 1, 1937.

He was an assistant backfield coach at his alma mater in 1938, and moved to Brooklyn in the National League as backfield coach to Jock Sutherland in 1940 and 1941.

He entered the Navy in 1942, serving at Iowa Pre-Flight under Bernie Bierman that year, then going with the Atlantic Fleet from 1943 until mid-1945. With the shooting over he was assigned to Corpus Christi, where he served as football coach along with Johnny Vaught. He returned to Pittsburgh as assistant coach of the Pittsburgh Steelers in 1946. When Sutherland died in 1948, Michelosen took over as the youngest head coach in the league.

He rejoined the Pitt staff under Red Dawson in 1952.

He is married and has three children, two boys and a girl.

In the first two seasons as head coach, Michelosen guided Pitt to two bowls and one Eastern championship. His six-year record is 33-24-5. Nine of these defeats were to teams which finished in the Top Ten including two defeats in bowl games. Two teams were named number one by the Football Writers of America.

J. CLYDE BARTON

(Assistant to Athletic Director)

J. Clyde Barton, a graduate of the University of Pittsburgh, joined the athletic department in 1960 after being Alumni Secretary since 1945.

During the last year, Barton has assisted Athletic Director Frank Carver in reorganizing the Lettermen's Club. He also has worked in promoting ticket sales to Pitt athletic events.

He was graduated in 1926 and was the recipient of the George Wharton Pepper Prize. He received his Masters of Letters in 1938.

Barton is married and has one boy.

ASSISTANT COACHES

LOUIS "BIMBO" CECCONI

(Offensive Backs)

Louis "Bimbo" Cecconi came to Pitt from Donora High School in 1946 to become one of the school's greatest players.

In his four years at Pitt he played both quarterback in the winged-T and left half in the single wing, both completely to the satisfaction of his two coaches, Wes Fesler and Mike Milligan.

Weighing less than 160 pounds and standing only five-nine, Cecconi became one of the smartest quarterbacks and most dangerous runners and passers in Pitt history. From the moment that he took over the team in its opener in 1946 and passed and ran the Panthers to a halftime tie with Illinois' Rose Bowl champions in his first college game, he captured the imagination of the crowd and the respect of his teammates.

He specialized in coming up with the key play, a long punt return, an interception, a last second TD pass, the clutch run for big yardage when apparently trapped.

Despite his size he made his mark with the basketball team as well, being a letterman for four years.

Upon his graduation in 1950 he was assistant coach at Donora High School for one year, then entered service. He spent one of his two years with the Infantry in Germany, then came home to take the head coaching job at Sharpsburg.

Prior to Cecconi's arrival, Sharpsburg had won only ten games in seven years. He won six his first season, and his overall record was 27 wins against 12 losses, and 6 ties.

He was as successful in basketball, taking his team to the Class B playoffs in 1954 and 1958. He came to Pitt in the summer of 1958.

In 1956 he received his Masters Degree from Pitt; is married, and has five children, four girls and one boy.

WALTER CUMMINS

(Centers)

Walter Cummins played his high school ball at Greensburg and entered the University in 1942, playing on the freshman team that year.

Before he had a chance to move on to the varsity, he entered the service and served in the Army for three years before returning to the University.

He was a regular for three years, playing end under Wes Fesler in 1946, and then was an end and defensive center for Mike Milligan in 1947 and 1948.

He worked for his Masters degree in 1950-51, and then joined the staff as assistant freshman coach and assistant to the Director of Athletics in 1952.

He helps with the freshman team.

He is married and has one daughter.

CARL DePASQUA

(Defensive Backs)

Carl DePasqua was a great back for Pitt from 1946 through 1949, playing in two different systems, the T and the Single-Wing under Coaches Wes Fesler (1946) and Mike Milligan.

Coming to Pitt as an All-State selection, he was a starting quarterback as a freshman, a halfback as a sophomore, and then a fullback on two winning teams as a junior and senior, all this while weighing 175 pounds.

He served in the Army during 1950 and 1951, playing for the Brooke Army Medical Center at Fort Sam Houston, this outfit going to the Cigar Bowl in 1951.

He returned to Pitt to work off credits for his masters degree in 1952, and was freshmen backfield coach during this period as a graduate assistant.

He went to Sarnia in the Ontario Rugby Union in 1955, as backfield coach, and then entered in business in Pittsburgh, rejoining the Pitt staff in the summer of 1958.

He is married and has one daughter.

BILL KALIDEN

(Freshman Coach)

Bill Kaliden was a quarterback on the 1956-57-58 Pitt teams. He lettered twice and won one letter in baseball.

He came to Pitt from Homestead High where he was an outstanding athlete and an excellent student. He played little in 1956 but started to come into his own in 1957. However, in 1958, he had his greatest year. He scored two touchdowns against Minnesota to lead the Panthers to their first win over the Gophers. Yet, his brightest moment was against Notre Dame when he scored the winning touchdown on end sweep with just 11 seconds remaining.

As a center fielder on the baseball team in 1959, he was a big reason the Panthers were in the district NCAA playoffs.

Kaliden graduated with high honors in 1959 and was a member of Phi Beta Kappa. He attended dental school but then withdrew. He wanted to become a coach. After six months in the Army, Kaliden returned to Pitt in 1960 to begin work on his M.A. in Education. He assisted Bimbo Cecconi with the freshman team. He was named head freshman coach this past winter.

Kaliden resides with his parents in Homestead.

STEVE PETRO

(Guards)

(Assistant to Athletic Director)

Steve Petro came to Pitt from Johnstown High School, and played three years as a regular guard from 1936 through 1938.

A volunteer helper during spring drills in 1950, when Len Casanova took over as head coach, he was made Junior Varsity Coach that fall, and then served as assistant line coach with the varsity in 1951.

After graduation he played two years of professional football for Brooklyn, while working for Bethlehem Steel Corp. He entered the service in 1942, serving first with the Air Forces and then in Intelligence. He played football in the service.

Upon his return he went back to the steel industry and stayed out of football until the spring of 1950 when he decided to get his certification in teaching.

He was freshman coach from 1954-1957 and handled the guards in the spring drills. He moved to the varsity staff in 1958.

He is married and has four daughters and one boy.

JACK WILEY

(Line Coach)

Line Coach Jack Wiley was for four years head coach at Waynesburg College until moving to Pitt in 1955.

Wiley, one of Waynesburg's greats, was a protege of the late Frank Wolf at the Greene County College from 1937 through 1941, and had five remarkable years as pro football's lightest tackle under Jock Sutherland and Michelosen with the Pittsburgh Steelers. He weighed only 205 pounds.

In between these two periods were four years in the Army as Infantry officer, with the 28th Infantry Division, enlisting as a private and coming out a captain.

Wiley played his high school football at Richill Twp.

He took over the head coaching job at Waynesburg in 1951 and didn't have a losing season. He won six and lost three his first year, jumped it to seven wins against one loss in 1952, had four wins and three losses in 1953, and in 1954 lost two, won five, and tied one.

Among the nine games his teams lost in the four years were three to West Virginia and one to VPI, both major schools.

Football until 1955 was an avocation with him, as he operated his folks' farm near Waynesburg, and also an insurance business.

He is married and has two sons and one daughter.

Wiley is now a member of the Board of Trustees at Waynesburg.

A SHORT RESUME OF PITT FOOTBALL

Pitt football began when the University was known as the Western University of Pennsylvania in 1890, but the Panthers did not begin their march into the front line powers for another decade.

In 1904 the Western University of Pennsylvania eleven, had its first winning streak. Sparking this team was Joe Thompson, World War I fame.

He took over as coach after his graduation, and in 1910 turned out an undefeated, untied, and unscored on eleven.

In 1914 under Joe Duff, brother of the former U. S. Senator, the Panthers prepared for the event of Pop Warner, by losing only one game.

Not until mid-1919 did the Blue and Gold bow in intercollegiate competition. Thirty-two consecutive victories were recorded.

The 1916 Pitt team turned up with an innovation, for which millions of football fans have since given thanks. In addition to being undefeated, the Panthers, under Warner, were the first to wear numbers.

During this period the first All-American appeared. Bob Peck in 1915 and 1916, and rated as one of the great All-Time All-Americans at center, Tom Davies, at halfback and Leonard Hilty at tackle in 1918 were some of the stars of the era.

Famous then, and more famous later, players were a big Scotch guard by the name of Jock Sutherland; the 1917 captain and end, now Dr. H. C. Carlson, for 31 years head coach of basketball at his alma mater; and Tiny Thornhill, who went on to coach Stanford's Rose Bowl teams.

Perfect seasons were out after 1919, but they still were winning years. Herb Stein, a center, joined the list of All-Americans, and Harvey Harmon played a lot of tackle.

In 1924, Jock Sutherland began a 15 year regime, which started slowly but ended with the Panthers ensconced among the mighty.

Only 20 games were lost during this period, and another 11 were tied. Eastern titles came in 1925,

1927, 1929, 1931, 1932, 1934 and 1937. Four times the Panthers showed in the Rose Bowl, winning the final game in 1937 against Washington.

All-Americans during the period were Ralph Chase in 1925 at tackle, Gibby Welch at halfback in 1927, Mike Getto at tackle in 1928, Ray Montgomery at guard and Joe Donchess at end in 1929, Jess Quatse at tackle in 1931, Warren Heller at halfback in 1932, Joe Skladany at end in 1933, Doc Hartwig at guard and George Shotwell at center in 1934, Averell Daniell at tackle in 1936, Marshall Goldberg at halfback and Tony Matisi at tackle in 1937, and Goldberg and Bill Daddio at end in 1938.

On the All-American rolls since Sutherland were Ralph Fife in 1941, Bernie Barkouskie, in 1949, and Joe Schmidt, in 1952, all guards; Eldred Kraemer, a tackle in 1952, Joe Walton, a unanimous choice at end in 1956, guard John Guzik in 1958 and end Mike Ditka in 1960.

Sutherland left in 1933 and the Pitt power fell off for the next ten years. Charley Bowser was succeeded by Clark Shaughnessy who held sway during World War II. Wes Fesler brightened the picture in 1946, and was followed by Mike Milligan who turned in the first winning teams of a decade in both 1948 and 1949.

When Milligan resigned in 1950, Len Casanova came in to take over for that year, but left the following summer. In 1951 Athletic Director Tom Hamilton took over as head coach, and then in January of 1952 Lowell Dawson was named.

Dawson won six including Notre Dame, Army, Ohio, Indiana and Iowa among the victims, and lost three.

In 1954 ill health caused him to give up football coaching in mid-season, and Tom Hamilton took over as head coach and put the team on a winning basis.

After the season he stepped down to turn the team over to Johnny Michelosen.

A 7-3 record, featuring decisive upset wins over Duke at Durham and over West Virginia before a capacity crowd in Pittsburgh, brought a Sugar Bowl invitation, and a close defeat by Georgia Tech at New Orleans that didn't hurt the Panthers' national ranking.

The Panthers went to the Gator Bowl in 1956, after a 7-2-1 season, and again lost to Georgia Tech 21-14.

In 1957, Pitt was 4-6, in 1958, 5-4-1, in 1959 finished with a 6-4 record and was 4-3-3 last season.

PITT HALL OF FAME AWARDEES

Thus far the University of Pittsburgh has had two players elected to the National Football Hall of Fame. Jock Sutherland, a great guard from 1914 through 1917, and Pitt's brilliantly successful coach from 1924 through 1938. He was elected in 1953 among the first coaches named.

In 1954 Bob Peck, Pitt's first All-American (center in 1915 and 1916), was elected as the first Pitt player to have his name placed on the honor roll.

JOCK SUTHERLAND

Dr. John Bain (Jock) Sutherland was a great player and coach at Pitt.

Entering Pitt within a few years after he left his native Scotland he was a regular guard on the great Pitt teams of 1914-1917, teams that lost but one game during the entire period.

Upon graduation, with a dental degree in 1918, he went into the service, coached the Camp Greenleaf Team with the AEF, then came back to the coaching job at Lafayette.

Four years later, in 1924, he replaced Pop Warner at Pitt, and after getting the foundation laid, put the Panthers back into the first line again.

There were national titles in 1927, 1929, and 1937; eastern honors in 1925, 1927, 1929, 1931, 1932, 1934, 1936, and 1937. Rose Bowl appearances in 1928, 1930 and 1933, climaxed with a win in 1937.

All-Americans were turned out with regularity during this period.

Leaving Pitt in 1939, he coached Brooklyn in 1940 and 1941, then went into the Navy. Upon his return he took over the Pittsburgh Steelers, giving them their greatest days, until his very sudden death in the spring of 1948.

BOB PECK

Bob Peck was Pitt's initial first team All-American, being selected by Walter Camp in 1915 and 1916. In both of these years Pitt was undefeated, and in his sophomore year, 1914, the Panthers lost only one game.

He was captain of the 1916 Pitt team that is rated among the greatest of all time, both at Pitt and in the nation.

Playing under Pop Warner, Pitt's coach during his last two years, he was a terrific roving center of the old variety, and an accurate passing center who could load the speedy Pitt backs on the famous single and double wing attack which Warner was then perfecting.

After his graduation he moved to Culver Military Academy where he was athletic director and head coach until his sudden death in 1934.

MARSHALL GOLDBERG

Marshall Goldberg came to Pitt from Elkins, West Virginia, and for the three years of his varsity career was the most highly publicized and popular back in Pitt history. These three years, coincidental with Jock Sutherland's last three as Pitt's head coach, saw the Panthers win a national title, a Rose Bowl game, and two eastern championships.

In two years as the regular left halfback Goldberg was the leading scorer and leading ground gainer, and then, moving to fullback with the famous Dream Backfield of 1938, he became a terrific blocker and power back, despite his relative lack of weight (185).

He was a defensive expert during his three years and starred at this phase when he went into pro ball.

On campus he was a member of Phi Epsilon Pi, national social fraternity, and O D K, national honorary leadership society.

Upon graduation he played pro ball and was in the insurance business in Chicago, served nearly four years as a line officer in the navy, and then finished his pro career with the Chicago Cardinals when they won their first title.

He is vice president of the Emmerman Machinery Company in Chicago.

PITT ALL-TIME RECORDS

Individual figures are compiled from official statistical records of each game from 1931 through 1960. Before 1931 they are taken from play by play accounts of game. Team records begin with the 1904 season. Naturally they cannot be 100 percent accurate, but they can stand until someone comes up with a better way.

Here are the top Pitt ground gainers and scorers since 1914. They traveled far in picking yards from scrimmage, passing, kick returns, and interceptions, and they put a lot of markers on the Pitt side of the scoreboard.

THE UNIVERSITY OF PITTSBURGH 120 PIECE VARSITY MARCHING BAND

The University of Pittsburgh 120 piece Varsity Marching Band is composed of undergraduate men of the various schools of the University. Since the University has no School of Music, none who participate in the Band are preparing to become professional musicians but some day will be doctors, lawyers, engineers, dentists, teachers, etc. No member of the Band is compensated in any way for his efforts in its behalf, or for no scholarships of any kind. They work untiringly for the friendship, companionship, and enjoyment that comes from being a part of a great band.

Under Robert L. Arthur with the assistance of Dr. Jack B. Anderson and Ben E. Benack, the band has reached its present level of excellence that has become one of the outstanding collegiate bands in the nation. In its pre-game, half-time, and post-game shows, emphasis is placed upon precision stepping, motivated formations, swinging instruments, and all the shine and sparkle that can be reached at the modern cadence of 160 steps per minute.

The matched gold instruments, blue and gold uniforms with white cross belts, white spats and gloves combined, create an appearance of beauty and uniformity.

In addition to the 120 musicians who perform on the field, there are others who attend to a host of duties. A Graduate Staff of seven attend to administrative details while an undergraduate operations and library staff of ten handle all equipment and properties, music, and the loading and unloading on trips. With this help the Band moves with a minimum of confusion.

Prior to the beginning of the fall semester, these bandsmen, directors, librarians, drum majors and operations crew move into a camp forty

miles outside of Pittsburgh, just outside Zelienople, for ten days of intensive training. They spend fourteen hours a day drilling, learning formations, practicing music, and just plain working hard. The group of men who arrived at camp as individuals return to perform for the season as an integrated, disciplined marching band. With a two hour practice Tuesday and Thursday evenings, the band is prepared to present itself in a manner which is "worth watching".

Ladies and Gentlemen: Presenting the University of Pittsburgh 120 Piece Varsity Marching Band.

PITT BASKETBALL

Pitt's basketball team will play a twenty-three game schedule this winter. Eleven games will be played at home.

The schedule includes one NCAA team, Ohio State, the runner-up, and one NIT team, Temple. The Steel Bowl includes Duke, Arizona and Duquesne. The Evansville Tournament has Tennessee, Yale and host Evansville.

Coach Bob Timmons will be starting his ninth year as head coach. The Pitt alumnus has a 101-97 record including NCAA appearances in 1957 and 1958.

Last year, Pitt finished with a 12-11 record but managed to upset Purdue, Temple and Villanova. The Panthers lost to St. John's, Duquesne and West Virginia twice.
